

**Marc Diouane**  
**Executive Vice President, Global Services & Partners**

Marc Diouane is the executive vice president for global services and partners at PTC. In this position he is responsible for PTC's consulting services and operations, worldwide services partnerships and alliances and PTC University offerings.

**Experience**

Since joining PTC 16 years ago, Mr. Diouane has held managerial positions in all of the company's key worldwide regions. He most recently served as Senior Divisional Vice President of international sales, EMEA & APAC. In this role he was responsible for leading the PTC sales organization throughout Europe and Asia. Prior to his current role, he was responsible for leading the EMEA sales and services organization as divisional vice president, EMEA, a position he assumed in 2005.

Between 1994 and 2005 Marc Diouane led sales teams in France, Japan, Italy and the Worldwide Services Business Development organization located in US. Mr. Diouane has tremendous international experience in all the geographies.

Mr. Diouane regularly speaks at key business and manufacturing industry events. His key areas of expertise are Product Lifecycle Management (PLM), digital value chain integration, gaining competitive advantage through product development process improvement and global product development.

**Education**

Mr. Diouane earned a Master's degree from the Bordeaux Business School and also has a university Degree in Electronic and Automation.
