

Tom Kearns
Senior Vice President, Chief Information Officer

Tom Kearns is Chief Information Officer at PTC. In his role, Mr. Kearns is responsible for setting the strategic direction of Information Technology and ensuring it is aligned with the corporate and functional goals of the business. In addition, he is responsible for developing, implementing and maintaining global information technology services throughout the company.

Experience

Prior to PTC, Mr. Kearns was CIO at BostonCoach, a division of Fidelity Investments for 4 years. Before joining BostonCoach, Mr. Kearns spent 11 years with Reebok International where he held several senior IT positions including Vice President of Global Infrastructure. Mr. Kearns began his career with Arthur Young, now Ernst and Young and Touche Ross, now Deloitte and Touche as a management consultant specializing in information technology.

Education

Mr. Kearns attended Boston College where he earned a Bachelor of Science degree in Computer Science and Marketing.
